## Wishing you a fun and festive Independence Day

### You Can Help OC Youth Build Their Own Independent Futures

Most of us gather with friends and family to BBQ, enjoy the beach or backyard, and as the sun goes down we head out to watch a spectacular display of fireworks. It is a day to be thankful for the great country we live in, that our founding fathers set up to declare independence and freedom for our citizens.

Build Futures continues to help individuals ages 18-24 who are struggling to gain their independence. Our great young adults continue to work hard to overcome obstacles in order to reach their goals. Build Futures helps our clients set realistic short term goals by following our steps to success program. By offering assistance with rent, clothing, bus passes, bicycles, and food the reality of returning to school, obtaining a job, learning a trade are all possible.

Build Futures has never turned away a youth seeking help to turn their life around in Orange County. With your continued support, we never will. As you make plans to celebrate Independence Day, please consider a donation to help us continue our efforts to move our clients from hopelessness to happiness through self-sufficiency.
